CONSULTING

By understanding client goals, we customize appropriate resources within a specified budget to achieve measured results. Bottom Line Solution--improves organizational performance, enhances customer satisfaction and creates sustainability.

- Human Resources | Human Capital Intelligence
- Accreditations | Academic and Industry
- Certifications | Health & Wellness Domains
- Standardizing Operations | Write & Implement
- Proposal Management | Design, Solution & Win
- Keynote | Client Customization

D Group Consulting Services Inc. [D Group] provides evidence-based solutions to help clients impact and measure results of their populations through wellness education consulting services. Solutions provided to private and public entities CONUS and OCONUS.

Differentiators...

People – Consummate Professionals

Innovation – Delivering the Right Solution

Value-Based – Industry Best Practices

Performance-Oriented – Exceed Expectations

Results – High Client Satisfaction

Capabilities...

Our subject matter experts have doctoral level education, clinical licensure, or business acumen that can deliver return on investment strategies specific to the needs of diverse cultures for:

- Wellness
- Education
- Consulting

WELLNESS

Using the mandala as a circular-shaped object symbolizing unity, or wholeness, D Group assesses a strategy to integrate and create client transformation. Health/Wellness:

- Needs Assessment | Strategic Planning
- Center Design | Management
- Promotion Programming | Value-Based Solutions
- Medical Nutrition | Plant-Based Foods

EDUCATION

D Group designs and facilitates programs using synchronous and asynchronous platforms according to and in compliance with evidence-based industry guidelines for instructional design methods. We excel at developing customized programs with newly established requirements, adapt off-the-shelf courses from relevant resources, or revise a client’s portfolio. In all cases, we propose and deliver a tailored learning solution.

- Workforce Education & Training
- Organizational Leadership & Behavior Change
- Research & Human Performance
- Coaching & Facilitation Services
- Research & Special Studies, Not R&D
